

FOSSIL STONE

LIMESTONE COLLECTION

Fossil Stone 24x24 Tumbled Tile
LIME0624

Fossil Stone 24x24 Tumbled Tile, crafted from Grade 1, first-quality natural limestone, these tiles redefine the standards for both interior and exterior applications. Whether enhancing the charm of your living space or adding a touch of sophistication to your outdoor environment, these tiles exude timeless beauty. The tumbled finish not only lends a rustic allure but also ensures a slip-resistant surface, making them ideal for floors and walls. Embrace the seamless fusion of style and resilience as these limestone tiles boast complete frost resistance, allowing you to enjoy their allure in any climate.
