LEGACY

Legacy pays homage to the timeless artisanal technique of layering reactive glazes, a process that gained popularity in the 20th century for crafting ceramics with distinctive colors, textures, and finishes. By applying multiple layers of glaze, artisans achieved a rich variation in tone and intensity, giving each tile a truly unique, handcrafted appearance.

The collection offers tiles in 6"x6" and 2"x10" formats, available in an array of sophisticated colors: Blue, Green, Grey, White, and Snow. Each tile is defined by its radiant sheen, noticeable volume, and exceptional sense of depth, all of which create a dynamic visual impact on any surface. These features make LEGACY a standout in modern wall tile collections, offering a fresh and innovative approach that seamlessly blends artistry and functionality for today's design enthusiasts.

LEGACY rinde homenaje a la atemporal técnica artesanal de aplicar capas de esmaltes reactivos, un proceso que ganó popularidad en el siglo XX para crear cerámicas con colores, texturas y acabados distintivos. Al aplicar múltiples capas de esmalte, los artesanos lograban una rica variación en tonos e intensidades, dando a cada baldosa una apariencia verdaderamente única y hecha a mano.

La colección ofrece baldosas en formatos de 6"x6" y 2"x10", disponibles en una gama de colores sofisticados: Azul, Verde, Gris, Blanco y Nieve. Cada baldosa se caracteriza por su brillo radiante, su notable volumen y su excepcional sensación de profundidad, lo que crea un impacto visual dinámico en cualquier superficie. Estas características hacen que LEGACY se destaque entre las colecciones de baldosas modernas, ofreciendo un enfoque fresco e innovador que combina a la perfección el arte y la funcionalidad para los entusiastas del diseño actual.
